

Call for Special Sessions ICPRAM 2020

Rao Bahadur Y. Mahabaleswarappa Engineering College (RYMEC), Bellari, Karnataka, India is organizing the **AICTE Sponsored Online International Conference on PATTERN RECOGNITION APPLICATION AND METHODS** on 28th and 29th December 2020 in association with **Institute of Scholars (InSc)**.

The International Conference on PATTERN RECOGNITION APPLICATION AND METHODS aims at providing a major international forum for research scholars, industry professionals, faculties and students in pattern recognition, machine intelligence and related fields to share their new ideas or findings, achievements and also helps participants to know the methods in patterns recognition and its applications in various real-time problems. The conference provides a great platform to exhibit solutions to real-world problems in pattern recognition and machine intelligence research.

ICPRAM 2020 Conference team *invites for the special sessions in the conference*. This conference will be one of the best International conferences in South India attracting high quality research papers. **Interested Researchers / Academicians with PhD in research domain which comes under scope of the Conference are invited to mail profile on or before 15th November 2020 to conference@insc.in**

Role and Benefits of the Special Session Chair:

- Special Session Chair may designate himself/herself as the Special Session Chair/Convenor and may designate any one of his/her senior colleague as the Chairman of this Special Session to attend the conference and chair the session.
- Special Session Chair will primarily be responsible for promoting session, releasing Call for Papers (CFP), inviting papers and getting them submitted and registered.
- Special Session Chair will be free to form their own Technical Programme Committee(s) having Session Chairman, Session Co-Chairman and reviewers.
- Special Session Chair has to ensure the registration and uploading of camera ready papers before the deadline.
- Based on the reviews of the papers in special session, a paper will be selected for Best Paper Award of the session.
- Special Session will be publicized through our web-portal.

Call for Special Sessions ICPRAM 2020

- Minimum 10 quality papers registration per special session is must.
- Remuneration will be provided by InSc along with Conference Kit, Certificate and memento.
- Separate proceedings for Special session can be published if number of papers in a session crosses 25 papers.
- InSc will be pleased to extend the basic administrative and preliminary review support, including the plagiarism checking facility using Turnitin.
